**SO YOU WANT TO BE A
COLLEGE ATHLETE**

If you have a son or daughter playing a sport at Lutheran High School, I want to encourage you to watch for meetings throughout the school year that will help athletes and parents through the process of being recruited, tracking NCAA and NAIA requirements, and better understand the current NCAA landscape. We will also be holding meetings for athletes over various lunch periods to provide as much information as possible to assist athletes that want to play at the next level.

The first lunch will address the NCAA Worksheet that tracks the academic progress of each athlete.

Please know that although your son or daughter may not have interest in playing sports in college, the information shared during this meeting will be extremely helpful should they be offered the opportunity at a later date.
